Good reviews landed five restaurants in Broward and Palm Beach counties on OpenTable's 2014 list of the Top 100 Hot Spot Restaurants in America.

Restaurants honored were YOLO, S3, Rocco's Tacos & Tequila Bar and Cafe Martorano, all in **Fort Lauderdale**, and Buccan in Palm Beach. The eateries were deemed 2014 Diners' Choice Award winners.

Winners were chosen based on reviews submitted by verified OpenTable diners. OpenTable is an online portal where customers make restaurant reservations.

OpenTable said it used more than five million reviews submitted by diners between March 1, 2013, and Feb. 28, 2014 to determine its honorees.

The winners specialize in engaging hospitality, mouthwatering dishes and captivating drinks, said Caroline Potter, OpenTable chief dining officer. "Each honoree is a destination for outstanding dining adventures," she said.
